by Bon Appétit. Bon Appétit is aware that campus organizations and departments today may face new financial challenges. For this reason, Bon Appétit presents to you an alternative...one which eliminates delivery and set up charges because your group or department picks up all orders.

Ordering Simply contact the Catering

Department at extension 4985 as you would for any event from 8:00am to 4:00pm, Monday through Friday. We prefer 48 hours notice for all orders so that we can provide you with the greatest selection, however feel free to call with shorter notice. We will work with you what can be available.

Pick-Up Only This Express catering menu

is designed strictly for pick-up only. No delivery will be made available, thus eliminating delivery and set up charges. If you require delivery and other additional services, please use Bon Appetit's standard catering guide. Orders must be picked up during normal hours of operation between 7:00am to 7:00pm.

All orders require a department number or student ID number. No meal exchange or bonus meals can be used with the Express catering guide.
