1. In a web browser, go to <https://my.hamilton.edu/applications/streamfile/>.
2. Click on the **Add a new video link** and browse to your video file.
3. Add a title and display text in the appropriate fields.
4. If you want to require users to log in with a Hamilton College ID, place a check mark in the **Restrict to Hamilton College user ids** check box.
5. Click on the **Submit Video** button at the bottom of the page.
6. Click on the **back to list** link to view a list of your uploaded videos.
7. To view your video, click on the **View** link.
8. To put a link to your video into an email or Blackboard, copy and paste the **Link** text.
9. To embed your video into a web page, copy and paste the **Embed Code**.
10. To change the text associated with your video click the **Edit** link.
11. To delete your video, click the **Delete** link.
