helpdesk@hamilton.edu

M-F 8 a.m. - 10 p.m.  
Sa-Su 10 a.m. - 10 p.m.

To obtain the wireless guest username and password, you can visit Burke Library's circulation desk or contact the Help Desk.

### Connecting With Mac OS X:

1. Click on the airport icon at the top of the screen near the clock and click on **ap-hamilton** in the drop-down list.
2. Open a web browser (Firefox, Safari, etc.) and it will open the guest wireless access webpage. **NOTE:** You'll likely get a certificate error message and will need to accept the certificate or continue to the webpage.
3. Enter the guest username and password provided and click **Agree** and login. You'll now have internet access.

### Connecting With Windows XP, Vista, 7:

1. Right-click on the wireless icon at the bottom of the screen and click on **View available wireless networks**. (Or, do whatever you normally do to find a wireless network).
2. Select **ap-hamilton** and click **Connect**.
3. Open a web browser (Firefox, Internet Explorer, etc.) and it will open the guest wireless access webpage. **NOTE:** You'll likely get a certificate error message and will need to accept the certificate or continue to the webpage.
4. Enter the guest username and password provided and click **Agree** and login. You'll now have internet access.

### Guest Wireless Access is Available in the Following Locations:
