QUIET HOUSING CONTRACT**

In choosing to reside in Quiet Housing, students will live in a unique environment where each member of the community agrees to support an atmosphere which is conducive to sleep and study at all times during the day and night. Furthermore, each person agrees to confront other students if that environment is not being supported at any time. If any student is found to disrupt this atmosphere during the course of the semester, the individual may be required to move from Quiet Housing to another residence hall or house on campus.

RULES AND REGULATIONS

1. I agree to abide by the quiet hours established at the beginning of each semester by all members of this community.
2. I agree to confront other residents if they are not upholding the contract.
3. I agree to hold all of my guests accountable to these guidelines.
4. I agree to hold all social activities within the established quiet hours.
5. I agree to respect the rights of other members of the community to request a quiet environment at all times and will comply with any given request to support this type of atmosphere in the residence hall.
6. I agree to support all programs that benefit the quiet housing community.

I understand and agree to abide by all of the conditions of this contract.
