## **Important Information about the Fulbright Scholarship**

In order to be eligible for the Fulbright scholarship, you must be a citizen, national or permanent resident of the United States.

Obligations of this scholarship include that you complete the term fully and satisfactorily, comply with all program rules and regulations, and complete a program evaluation at the end of the term. Also, within 2 months of your return, you are expected to carry out at least one activity in your home institution from the list below:

- Presenting at an information meeting/public meeting
- Sharing your experience in a class with your peers
- Submitting an article in the student or local newspaper
- If your Fulbright scholarship is for travel (or a portion includes travel), you must send in receipts indicating the purchase of your ticket.

At the end of your study with ACC, you will need to complete an on-line evaluation with Fulbright-Hays's International Resource Information System (IRIS), the on-line instrument that provides the means for ACC to meet the U.S. Department of Education grant activities reporting requirements. IRIS will be contacting you directly with their on-line evaluation details and instructions.

If accepted, you will receive a letter indicating the amount you will receive, as well as an agreement form that must be signed and returned to ACC.

If you have any questions concerning the Fulbright scholarship or your trip to China, please feel free to contact us at [acchina@hamilton.edu](mailto:acchina@hamilton.edu) or call us at (315) 859-4326.

Sincerely,  
ACC Admissions Committee
