LutheranCare has plenty of opportunities for you to fulfill your required volunteer service, and the best part is, you'll have fun! Our residents love to have visitors, and whatever your interests, we can hook you up with someone who will be happy to share them with you.

Give us a shout at 235-7104. We're just up the road from downtown Clinton on Route 12B so pay us a visit. You just may want to keep on coming!
