After losing employer-sponsored health insurance, finding a new healthcare plan can be overwhelming, but the Alera Group team is here to help. Our licensed agents can help you navigate the health insurance market and explore alternative options to fit both your healthcare needs and your budget.

Is COBRA the right choice for me?

It might be! However, there are plenty of alternative healthcare options available to you as well. We will help you answer this question, so you have confidence and peace of mind in your health insurance coverage going forward.

How much will it cost?

While prices vary considerably, the average monthly premium for COBRA is often significantly more expensive than the average monthly premium for an individual health insurance plan.

COBRA is not your only option. The health insurance experts at Alera Group are here to help you determine the best health insurance plan for your unique needs.
