SNOW SCULPTURE COMPETITION

Throughout all of FebFest, we invite you and your friends to make a snow sculpture on-campus!

Competition Rules:

1. Up to 4 people per team.
2. Use whatever sculpting supplies you have at your disposal (crock pot, bowls you stole from Commons, big spoons, shovels, props from the Dollar Store, whatever floats your boat).
3. Snow sculptures should be built in open snow areas away from walking paths or parking lots.
4. Your sculpture can take any form. No offensive, sexual, or profane designs are permitted.
5. Sculptures will be evaluated by the Student Activities student staff and we will select winners for the following categories:

- ❄ Most FebFesty sculpture
- ❄ Most Hamiltonian sculpture
- ❄ Most Artistic sculpture

6. Sculptures can be built between Monday, February 7th and Sunday, February 20th.

7. Take photos of your completed sculpture to submit for the competition! Competition submissions are due by midnight on Sunday the 20th and should be submitted to an online form found at <https://tinyurl.com/snowsculpt22>.

FEBFEST SWAG

FebFest swag will be given out at random events throughout the week. The more events you come to, the more opportunities to collect swag items. And, if you miss out, don't fret. We will send out a Last Chance for Swag email on the last day of FebFest with a form for folks to fill out if they didn't get FebFest swag and still want a chance to get some. Fill out the form and you will be part of a raffle to get some last chance FebFest swag!
