Dear President Wippman:

I am pleased to inform you that the New York State Education Department has approved Hamilton College's application to participate in the State Authorization Reciprocity Agreement (SARA).

As a next step to finalize participation, the principal contact identified in your institution's SARA application will receive a system-automated email from the National Council for State Authorization Reciprocity Agreements (NC-SARA) that will contain a registration form and payment link. Your institution will have 60 days from the date of this letter to complete the registration form and finalize payment to NC-SARA. Once NC-SARA has processed your payment, your institution will be officially participating in SARA and will be added to the list of approved SARA institutions on the nc-sara.org site.

The term of this approval will be for 12 months from the date your payment is processed by NC-SARA and will be renewable annually thereafter, provided your institution continues to meet the eligibility requirements and other terms of the agreement. Please let me know if you have any questions about your institution's participation in SARA.

Sincerely,

Emily J. Sutherland
Supervisor, Higher Education Programs
