REQUEST FOR REPLACEMENT I 20

I have requested that the International Students Office issue a replacement I 20 for me for the following reason:

- I lost my previous I-20
- I need space for additional travel signatures
- I have reported a change to my personal or program information. (If you check this box, please list the updated information such as new address, concentration, or name change at the bottom of this form.)

I understand that it is my responsibility to keep ALL of the I 20s issued to me and that I may be asked to submit copies of ALL previous I 20s if I choose to apply for future benefits such as OPT.
