General Information for First-year Students

Important Dates:
- **Late May:** Expect to receive an I-20 no earlier than this!
- **Late May:** Earliest date to apply for an F-1 Visa.
- **Mid-July:** Deadline to notify our office of your travel plans.
- **Mid-July:** Earliest date to arrive in the U.S. **Do not enter the U.S. more than 30 days in advance of the report date on your I-20.**
- **Mid-August:** Earliest date to arrive on campus for orientation. If you must arrive earlier or later, then contact our office immediately.

See Pre-Arrival Information Sheet for exact dates.

Obtaining a Visa:
- You will need a student visa to enter the United States to study. You must apply for a visa at a [U.S. consulate or embassy](https://www.travelstate.gov/). Information is available at the official [U.S. government visa website](https://travel.state.gov/) (pay special attention to all documents).
- Check with the [U.S. consulate or embassy](https://www.travelstate.gov/) to determine what supporting documentation is required, e.g. I-20; college admission letter; SEVIS fee receipt; receipt for visa application fee; current passport valid for at least six months; evidence of financial support; passport-type photographs; nonimmigrant visa application, etc.
- The visa officer may request additional application materials to prove your visa eligibility. They may include: evidence of English proficiency, school records to verify academic preparation, and additional proof of strong ties to your home country.
- **If a visa application interview is required,** remain calm and answer all the visa officer’s questions openly and honestly.
- Each Canadian student will receive an I-20, but is not required to obtain a visa.

Travel Documents to Bring to Hamilton:
- **I-20**
- **Passport:** All students including Canadians must bring a passport that is valid for at least six months.
- **I-94 Number:** Can be retrieved electronically after you enter the U.S. Go to and accurately fill out the [form](https://www.travelstate.gov/) and print for your records.

Additional Documents to Bring to Hamilton:
- Official transcripts from secondary schools, colleges, or universities
- Medical and dental records, including certificates of immunizations and vaccinations
● Information about medical conditions or treatments, prescriptions for medication (including the generic and brand names) and eyeglasses
● International driver’s license

Obtain English translations of these documents and have the translations certified by a U.S. educational advising center or a U.S. consulate or embassy. Retain photocopies of all documents.

Travel to Clinton, NY:
Clinton is located in upstate New York, about 250 miles (400 kilometers) from New York City. Because of the distance, Hamilton cannot provide transportation to campus from your point of arrival in the U.S. Students arriving from overseas continue from their port of entry in the U.S. (usually John F. Kennedy or LaGuardia Airports in New York or Newark Airport in New Jersey) to the cities of Syracuse or Utica.

From Your Point of Arrival to Syracuse, NY:
The easiest way to get to Syracuse is to continue traveling by plane. Book a connecting flight from your point of entry to the Syracuse/Hancock International Airport, which is about one hour by car (taxi or Uber) from the Hamilton campus.

From Your Point of Arrival to Utica, NY:
Students arriving at John F. Kennedy or LaGuardia Airports in New York City may find it less expensive to travel to Utica, NY, (which is 20 minutes from campus by taxi or Uber) by bus or train. To do so:
● Take a taxi, Uber or bus from Kennedy Airport to NYC Penn Station (for the train) or Port Authority Bus Terminal (for the bus). This will cost approximately $50 plus tolls and tips by taxi or Uber and about $20 by bus. Check transportation schedules for an airport shuttle bus at to make your connection via train or bus to Utica. Be sure to allow adequate time for customs and the trip into the city, and bring some U.S. currency with you to pay for the taxi or bus.
● Train travel to Utica costs between $50 and $100. You may make reservations for an Amtrak train online or by calling 1-800-872-7245. The trip takes about 5 hours.
● Bus travel also takes about 5 hours. You can check the Greyhound Bus Schedule and/or pre-purchase a ticket (about $80) at the Greyhound website or call 1-800-231-2222.

Notices:
● Information about how to order and pickup bedding/linen can be provided by the Dean of Students Office (International Student Services).
• The Multicultural Peer Mentoring Project (MP²) is an initiative that is geared to ease your transition and acclimation to Hamilton.

• The International Friendship Program (IFP) pairs first-year international students with a volunteer from the community. This is a great source of support for new students as they become acclimated to life in the U.S.

• The International Students Association (ISA) is devoted to promoting cross-cultural conversations and improving diversity awareness on campus. ISA helps international students become active within the Hamilton community through planned events each semester. The organization also promotes building an international alumni network.
General Information about Hamilton College

**Hamilton Student Identification Number (SID)**
Your SID was given to you when you were admitted to Hamilton. It has seven digits. It is how the school will access your records. You should memorize it because you will be asked it often.

**Hill Card**
Your Hill Card is a form of identification. It lists your name and SID. You will need it to gain entrance to some of the main buildings on campus including your residence hall. Your Hill Card is included in your information packet and will be made available to you upon being picked up at the airport or train/bus station or you should pick it up at Campus Safety if you arrive on campus by car. Your first Hill Card is free, but if you lose it, the cost is $20 to replace it.

**Hamilton Email**
Your Hamilton e-mail account is the main means of communication with the Hamilton campus. So check it regularly. If you have another email account(s), it may be helpful to forward it so you just have one account. Hamilton personnel will only use your Hamilton email to get in touch with you. Additionally, daily you’ll receive an email with all of the events scheduled at Hamilton for each day.

**On-Campus Phones**
The number for all phones on the main campus is 315.859.XXXX. If you are calling a campus number from a campus phone you just dial the last four digits.

**The Hamilton Student Handbook**
The Hamilton Student Handbook sets forth the Code of Student Conduct along with the national, state and village laws and Hamilton policies that guide College and judicial actions in support of Hamilton student success. Hamilton’s approach to the judicial process is one that is intended to be educational rather than punitive.

**International Student Services (ISS)**
If you have any questions, you can stop by the office, schedule an appointment or email Allen Harrison at aharriso@hamilton.edu or Regina Johnson at rjohnson@hamilton.edu. ISS also posts announcements and notifications and sends email messages through Blackboard.

**My Hamilton Webpage**
This is an important page to bookmark on your computer’s Web browser. This page displays various services and resources on campus. It also gives you quick access to the homepages of offices/topics.

Tuition/Ebill Statements

Hamilton College partners with Blackboard/CASHNet to provide electronic billing statements, accept electronic payments and administer its Time Payment Plan. Paper bills are mailed to first-year students, but all other students are only billed through CASHNet.

CASHNET LOGIN
Login/sign-up to view statements and/or pay student account online.
Note to Parents/Others: to log into CASHNet do not use your MyHamilton username & password.

INSTRUCTIONS FOR ELECTRONIC BILLING

For Students
1. Click on CASHNet for Students
2. Login using your My Hamilton username/password
3. You can view your bills and history
4. To grant access to parents/others, click on Add New under Parent PINs.

For Parents
If you already received an email from your student:
1. Once you receive the email from CASHNet that the student has added you as a user/payer, access the provided link to set up your profile.
2. Enter banking or credit card information

If you have not received an email from your student:
1. Click on CASHNet for Parents/Others
2. Locate “Click here to register” and click
3. Enter the Student Account Number (Hamilton College ID), the Student Date of Birth in the format YYYYMMDDDD as the “Shared Secret” and select Parent/Other
4. Complete the required information and follow prompt
5. Student will receive an email notification to approve access
6. Once student has approved, parent/other will receive an email with their password to login in and create profile.

Each month when the tuition bills are ready, you will receive an email informing you that the bills are ready to view. Click on the link and log in with your user name and password. You can go in at any time and view your statements. The information will be updated monthly as the billing process is run.
If you have any questions, please call Student Accounts at 315-859-4324 or email stuaccts@hamilton.edu. You may also call the Business Office for assistance at 315-859-4315.

Thanks for your cooperation!
Tuition/Ebill Payment Options

The Business Office offers several payment options. Full payment of your student bill is due by the date indicated on your statement. You are responsible for paying any amounts not covered by financial aid or outside sources. A late payment fee may be assessed for any past due balances. A past due balance may result in your student account being placed on financial hold, which restricts future registration, diplomas and transcripts.

Payment Options:

**Flywire (Payment from outside the U.S.):**
Hamilton College has partnered with Flywire to make student account payments easier for international students and their families. Paying tuition with Flywire is safe, fast and convenient. Payments may be made in the student’s home currency and the exchange rates provided are extremely favorable. In order to make a payment, it is not necessary to know the banking information for Hamilton College. Simply go to hamilton.flywire.com and provide information required to initiate payment from an account outside the U.S. Payments may also be made by credit card, but an additional convenience fee is applied.

**Resources**
Flywire Flyers in various languages.

Academics at Hamilton

Registration
At Hamilton, registration is done online by the student through WebAdvisor. After you log onto MyHamilton you will also need your Username and Password to log onto WebAdvisor.

Academic Calendar
For information on semester dates, breaks, following semester registration and holidays, please see the College Calendar. Don’t reserve your ticket home until you are completely sure of the date of your last final exam. The dates and times of final exams are listed with your course information in WebAdvisor.

Course Selection
Courses can be accessed online under Academic Areas of Study on the Hamilton Website. This also includes course descriptions. Please be aware that not all courses are offered each semester. The actual semester class schedule can be accessed via WebAdvisor.

At Hamilton all students are full-time and normally elect courses equal to four credits during both the fall and spring semesters. During each of these semesters, students may carry no more than five, and no fewer than three, full-credit courses. Any exception must be approved by the Committee on Academic Standing (CAS).

Both Hamilton’s commitment to excellence and its need to operate within its resources have implications for course enrollment policy. Except for independent studies and courses with limited enrollments, a student shall be free to elect, during the calendar periods for registration, any course for which the prerequisites have been met. However, a senior who desires to elect a 100-level course must first obtain permission from the instructor.

Adding or Dropping a Course
The “add” deadline is always 2:00 p.m. of the seventh day of classes. The “drop” deadline is always one week after the middle of the term. Pick up a “course change” form in the Registrar’s Office or print a copy using the link in the Registrar’s Office Forms section. Obtain the signatures of the instructor and your faculty advisor. Return the form to the Registrar’s Office before the deadline.

To add or drop courses after the deadlines, students must petition the faculty Committee on Academic Standing. Petition forms are available from the Registrar’s Office Forms
section or at the Dean of Students Office. CAS is chaired by the Associate Dean of Students, Academic.

**Honor Code**
Matriculation at Hamilton is contingent upon a student’s written acceptance of the Honor Code regulations. The code covers all coursework and course examinations at Hamilton during a student’s college career. Complaints alleging violations of the Honor Code shall be submitted in writing by instructors or students to the chair of the Honor Court or to the associate dean of students (academics).

**Physical Education Requirement**
You must participate in the program of instruction offered by the Physical Education Department. Each student is required to pass tests in swimming and physical fitness. A complete specification of the requirement is stated in the “Physical Education” section. Instruction is available in badminton, fitness, golf, jogging, lifeguard training, power walking, racquetball, skating, squash, swimming, tennis, toning, volleyball and yoga. Except under unusual circumstances, it is expected that the requirement will be completed in the first year. You must complete the physical education requirement by the beginning of Spring Break of the sophomore year and before studying away.

Transfer students and January admits should register for a physical education course upon matriculation and consult with the department chair about completion of the requirement. Prior instruction may be applicable to Hamilton requirements.

**Grading System**
Your academic performance will be graded by instructors at the close of each semester with one of 13 grades. Each of these grades is used to determine your grade and class standing, according to the table below. The lowest passing mark is D-.
Letter grades with their numerical equivalents are shown below:

<table>
<thead>
<tr>
<th>EXCELLENT</th>
<th>A+</th>
<th>(4.3)</th>
<th>A</th>
<th>(4.0)</th>
<th>A-</th>
<th>(3.7)</th>
</tr>
</thead>
<tbody>
<tr>
<td>GOOD</td>
<td>B+</td>
<td>(3.3)</td>
<td>B</td>
<td>(3.0)</td>
<td>B-</td>
<td>(2.7)</td>
</tr>
<tr>
<td>SATISFACTORY</td>
<td>C+</td>
<td>(2.3)</td>
<td>C</td>
<td>(2.0)</td>
<td>C-</td>
<td>(1.7)</td>
</tr>
<tr>
<td>POOR</td>
<td>D+</td>
<td>(1.3)</td>

<td>D-</td>
<td>(0.7)</td>
</tr>
<tr>
<td>FAILURE</td>
<td>F</td>
<td>(0)</td>
<td></td>
<td></td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

The numerical equivalents of the letter grades are established to enable the registrar to construct students’ grade point averages and class ranks, which are necessarily numerical. Instructors assign letter grades to indicate their qualitative (not numerical) assessment of students’ work.

Thus, for example, an instructor would assign “C+,” “C” or “C-” to indicate assessments of “satisfactory,” and an instructor may use any information he or she considers appropriate, including, but not limited to, numerical information to decide whether a student’s work is “satisfactory.” The registrar’s conversion of the instructor’s letter grade into an element of a student’s grade point average is a separate matter.

Evaluation of performance in courses is represented by single grades which combine grades for work in courses and for final examinations in ratios determined by instructors. When you elect to take a course on a credit/no credit basis, standing in the course is represented by the notation of Cr, NC, or F (see “Credit/No Credit Option”). When
independent studies or appropriately designated courses are carried for two semesters, the grades reported at the end of the first semester are tentative. The grades assigned by instructors at the end of the second semester become the final mark for both semesters.

Syllabus
During your first class meetings, you should receive syllabi from your professors. Syllabi are guides and should outline course content and the objectives of each course/class, in addition to requirements and expectations set forth by professors/departments. They should include calendars documenting when assignments are due, the dates of exams, as well as each course’s grading breakdown. Read each of your syllabi carefully and keep them for your reference throughout the semester.

**English Speakers of Other Languages (ESOL)**

*English for Speakers of Other Languages (ESOL)* is a multi-disciplinary program incorporating instruction in written and spoken Standard English. In the program, there are opportunities for ESOL students to participate in tutorials, workshops and activities that challenge the limitations of the academic, social, and cultural implications of language use and language identity for ESOL students.

**The Writing Center**

*The Writing Center* provides resources and individual writing conferences to help you become a better writer at every level and in every discipline. Peer tutoring support is a standard feature of the *Writing Center*.

**Quantitative and Symbolic Reasoning Center (QSR)**

The *Quantitative & Symbolic Reasoning Center* supports students in the development of their academic skills and fosters intellectual growth and collaborative learning. Other programs offered by the center include support for the College’s quantitative and symbolic reasoning requirement, help for the mathematics portion of the *Graduate Record Exam (GRE)* and workshops designed to accompany specific courses.

**Oral Communication Center**

The *Oral Communication Center* helps students and faculty reach Hamilton’s high standard for effective oral communication. The center provides students with one-on-one peer tutoring and group consultations, workshops, and seminars.

**Accessibility**

The *Dean of Students Office* provides coordination of individualized accommodations and support services for any student who has a documented need. Students seeking special arrangements due to a disability should provide recent documentation and/or an evaluation conducted by a specialist in the appropriate field.

Health Services

Health Services is part of the Joel and Elizabeth Johnson Center for Health and Wellness located on College Hill Road, between the Sadove Student Center and the Anderson Connell Alumni Center.

Services include the promotion of a healthy lifestyle through education and preventative medical care, and diagnostics and treatment of illness and medical conditions. Health Services is committed to providing high quality, compassionate care to students.

While there are no dental or vision services, there are many practitioners in the area. When scheduling appointments be sure to ask about costs. Dentists in particular can be very expensive and your health insurance doesn’t cover dental services.

Services
Health Services is staffed with one full-time physician’s assistant and one full-time nurse practitioner. Triage nurse services are available during clinic hours and students are encouraged to call the triage line with medical questions or concerns. Same day appointments with the nurse or provider are available. Students are seen by appointment with allowances made for emergencies. There is no fee for evaluation by the staff. Health Services maintains an in-house lab and a dispensary of common medications. For additional testing or services, students are referred to local specialists and/or imaging/testing centers.

Prescriptions
Please pick up any prescription you are expecting from the health center by 4:00 p.m. Monday-Friday. You will be notified after one week if prescriptions have not been picked up. After two weeks, unclaimed medications will be disposed of. Due to regulatory requirements, no controlled substances can be delivered to, stored or dispensed by Health Services. Please review the prescription policy.

Privacy & Records
Your privacy is of the utmost concern to the Health Services staff. Records created and maintained by Health Services are considered student treatment records and your privacy of such information is governed by federal and state laws. Unless specifically authorized by law or required by court order, private medical or counseling information and your treatment records will not be shared or released without your consent.

Frequently Asked Questions
Counseling Services

Counseling Services is part of the Joel and Elizabeth Johnson Center for Health and Wellness located on College Hill Road, between the Sadove Student Center and the Anderson Connell Alumni Center. Standard hours of operation during the academic year only are Monday-Friday, 8:30 a.m.-4:30 p.m.

The staff is proud to offer multiple pathways to accessing a personal level of care that can meet immediate and long-term needs.

Their mission is to provide an excellent level of personal service across all modalities of treatment, kinds of interactions, and constituencies being served. In doing so, we value three main components in our work: trust, respect and connection.

Our Approach
Counseling Services staff recognizes that they are responsible for actions that lead to you respecting them as fellow human beings, trusting that they provide a safe and connected relationship, and create an environment in which you are equal partners in a collaborative relationship that reciprocates those same values. They strive to provide a diverse array of embodied approaches to therapy, and to maintain the highest standards of confidentiality.

In accomplishing this mission, they value approaching their work and themselves in ways that reflect the complexity of being human. This is reflected in the different approaches to therapy offered by their staff, the styles and qualities of the therapists who offer those approaches, and in the value they place on intersectional rather than reductionist ways of conceptualizing human differences. This value is also reflected in their staff members’ commitment to serving all of Hamilton’s students. Staff strives to understand and connect across differences of life experience, and they value their identities and your identity deeply. They understand that we all represent a rich tapestry of human experience that contains specific critical issues that impact our individual lives. While the staff understands that they cannot be all things to all people, they do hope to serve you well by providing a safe, confidential, connected environment to enhance your experience of this time in your life.

Privacy & Records
Confidentiality is the foundation of their work. Records created and maintained by Counseling Services are considered student treatment records and your privacy of such information is governed by federal and state laws. Unless specifically authorized by law or required by court order, private medical or counseling information and your treatment records will not be shared or released without your consent.
The staff offers a wide array of wellness-based services, including group therapy experiences, in-person meetings with staff or peer counselors with no session limits, consultation with a registered dietitian, psychiatric services, biofeedback in our relaxation room and 24/7/365 crisis coverage.

To access any of the services that are offered, please call their Office at 315.859.4340 or feel free to stop by. All of their providers are knowledgeable, caring and have great respect for individual difference. They can also make available a list of local providers if you want to meet with someone off-campus, and a directory of additional resources and wellness based apps that address a variety of concerns.
Campus Safety

Campus Safety is located off of College Hill Road, between Dunham Residence Hall and the Afro-Latin Cultural Center (ALCC).

Their office is committed to providing a safe and secure learning and working environment for every student, faculty member, staff, and visitor to Hamilton.

EMERGENCY INFORMATION

Emergency Medical Response
All patrol officers are trained in CPR, the use of an Automated External Defibrillator (AED) and basic first aid. The Department works with Hamilton College EMS and Central Oneida County Volunteer Ambulance Corps (COCVAC).

Crime Prevention Programs
The College conducts educational programs on sexual assault prevention, alcohol and other drugs, and general issues of personal safety during orientation and at other times during the academic year. In addition, Campus Safety conducts workshops in residence halls and other venues by request.

Personal Safety Escorts
From dusk to dawn, personal safety escorts from and to any on-campus location are provided to members of the campus community. Escorts will be completed via vehicle or foot patrol.
BLUE LIGHT EMERGENCY PHONES

Lockouts & Access to Facilities
Campus Safety can assist you if you’ve locked yourself out of your residence hall room. With the exception of the residence halls, which are locked at all times, most campus facilities are normally open when classes are in session, or by special request coordinated with Campus Safety.

Meal Plans

Hamilton College offers a variety of meal plans; all new students are required to participate in the Unlimited Meal Plan, which includes unlimited dining hall access.

**Unlimited Meal Plan**
The 21 Unlimited Meal Plan offers unlimited access to Soper Commons Dining Hall, McEwen Café, the Diner or the Little Pub (Pub Lunch). The 21 Unlimited Plan includes 10 guest meals per semester.

**14 Meal Plan**
The 14 meal plan offers fourteen meals a week which can be used in any of our dining locations. The 14 Meal Plan includes 20 guest meals per semester.

**7 Meal Plan**
The 7 meal plan offers seven meals a week which can be used in any of our dining locations.

**Guest Meal**
The guest meals provided as part of the 21 and 14 meal plans can be used for meals for a guest, for a second entrance during a meal period or for meals during a break period. Please let your checker know if you are using a Guest Meal. Guest Meals carry over from semester-to-semester but not year-to-year. Please feel free to contact us if you have any questions.

**Dining Hall Meal Exchange: Supporting Student Organizations and Events**
The Dining Hall Meal Exchange program can be used when a student group would like to hold an event which involves a meal service, but very limited additional funding. Essentially, this service provides the food items on the menu in the dining hall for that particular meal, complete with salad, beverage and dessert. The student group membership has the option to use a meal to support the provided service. Contact the catering office for more information about this offer.

**Catering Exchange: Supporting Student Organizations and Events**
The Catering Exchange program offers student group members the option to use a portion of their meal plan for any type of catering service. The group’s dining requirements will be designed with the assistance of the catering staff. The catering team will help the student group determine the menu and level of service required for the event. Contact the catering office for their assistance with creating events.

Alcohol Policy in New York State

The U.S. has specific laws regarding the sale and consumption of alcohol. Please be aware that these laws are taken very seriously.

**Summary of New York State Laws Governing Alcohol**

Under New York State law it is illegal:

1. To provide alcohol to persons under the age of 21 or to persons who are visibly intoxicated. Providing alcohol to persons under the age of 21 is a Class A misdemeanor which is punishable by imprisonment for up to one year, a fine of not more than $1,000 and/or three years probation;

2. To misrepresent the age of a person under the age of 21 for the purpose of inducing a sale of alcohol. Those found guilty of violating this law shall be punished by a fine of not more than $200, or by imprisonment for not more than five days, or by both fine and imprisonment;

3. For a person under the age of 21 to possess alcohol with the intent to consume it. Those found guilty of violating this law shall be punished by a fine of not more than $50 and/or required to complete an alcohol awareness program and/or required to provide up to 30 hours of community service;

4. For any person under the age of 21 to present or offer any written evidence of age which is false, fraudulent or not actually his own, for the purpose of purchasing or attempting to purchase alcohol. Those found guilty of violating this law shall be punished by a fine of not more than $100, and/or required to complete an alcohol awareness program and/or required to provide up to 30 hours of community service. Additionally, if it is found that a New York State driver’s license was the written evidence of age used for the purpose of the purchase or attempted purchase, the person’s license to drive a motor vehicle may be suspended for 90 days. Lastly, alteration of the required forms of identification (driver’s license, passport or armed forces ID card) may constitute “possession of a forged instrument… with intent to defraud,” which is a Class D felony under New York State penal law.

5. To sell alcohol, including charging admission at the door of an event where alcohol is distributed free of charge, without an Alcoholic Beverage Control license. Under New York State civil law the provider of alcohol may be liable for any damages or injuries caused by an intoxicated person.

**Alcohol Policy at Hamilton**

1. Persons 21 years of age and older may possess and consume alcohol in upper-class residence hall rooms, suites and apartments. Alcohol is not permitted in designated first-year student buildings (North, Major, Keehn, Wertimer, Wallace Johnson) or
on residence hall floors in South and Dunham that are designated for first-year students.

2. Open containers of alcohol are not permitted in public areas. Public areas include, but are not limited to, academic buildings, residence hall lounges and hallways, and outdoors. For purposes of this policy, suite lounges are not considered public areas.

3. Students may not display empty containers of alcohol in their rooms, suites or common areas.

4. Gatherings with bulk alcohol (defined as any quantity of beer in excess of two cases (48 twelve oz. cans), or the alcohol equivalent of wine or liquor) are not permitted in the residence halls (except where noted below). Kegs, beer balls and/or taps are not permitted in residence halls (except where noted below). Empty kegs may not be stored in residence halls.

5. Gatherings with bulk alcohol are permitted in College designated social spaces (Bristol Center Hub, Bundy Dining Hall, Beinecke Tolles Pavilion (Annex A & B), and Sadove Student Center basement). Social hosts are required to comply with the “Policy for Student-Sponsored Social Events,” published here and in A Guide to Social Programming available in the Office of Student Activities.

6. The College reserves the right to notify the parents or guardian of a student who is transported to the hospital for an alcohol or drug-related overdose, and to require that the student participate in an educational program on alcohol and/or other drugs. The College may also choose to notify parents or guardian of any alcohol or drug-related violation.

Smoking Policy in New York State

The smoking policy in New York State is very different from your home country or even from different states in the U.S.

Places Where You CANNOT Smoke:
- Bars
- Food service establishments
- Swimming pools and gymnasiums
- Public transportation, including subways, underground subway stations, buses, taxis/cabs and limousines
- Ticketing, boarding and waiting areas in public transportation terminals
- Colleges, universities and other educational institutions
- Public buildings including theaters, museums, libraries, retail stores, restrooms, etc.
- Hospitals and other healthcare facilities

Places Where You CAN Smoke:
- Private homes and private automobiles
- Designated hotel/motel rooms rented to guests
- Tobacco businesses

Hamilton College Smoking Policy
Smoking, defined as the burning of a lighted cigar, cigarette or pipe, is not permitted in any campus facility. This policy applies to all student residences, including all rooms, lounges, and public spaces, or outside within 25 feet of any residence hall.

Buck: a dollar
Deep pockets: has a lot of money
Booze: alcohol
Airhead: a stupid person

There are many more slang terms used in the U.S. You’re encouraged to do some research to learn more about American slang. To get you started, here is a good resource.
General Characteristics of Americans

Individualism: Americans generally believe that the ideal person is an autonomous, self-reliant individual. Most Americans see themselves as separate individuals, not as a representative of a family, community or other group.

Informality: Americans treat each other in an informal manner, even in the presence of great differences in age or social standing. It also extends in the way they dress and communicate with each other. It is quite acceptable for women to wear very little clothing in the summer; this isn’t an indication of loose morals. It is also common for students to act casually with their professors and advisors; however, this isn’t a sign of disrespect. First names are often used in the U.S. Often, a person will use first names with someone of approximately the same age and status. A woman older than yourself can be addressed as “Miss” or “Mrs. [Last name],” depending on her marital status. “Ms.” Can be used for either a single or married woman unless she has a title such as Dr. (Doctor), Prof. (Professor) or Dean. An older man may be addressed as “Sir” if you don’t know his name. If older people wish you to call them by their first name, they will probably ask you to do so.

Friendship: Friendships among Americans tend to be shorter and less intense than those among people from other cultures. This may be due to the fact that Americans move around so much and don’t spend all their lives in just one place. Americans are often outwardly friendly with others, even if they don’t know them well. In time you will learn to distinguish casual friendships from more serious and deeper relationships.

Time consciousness: Americans place considerable value on punctuality. They tend to organize their activities by means of schedules. When an appointment or invitation is made, you will be expected to be there on time. If you know you will be late, it is expected that you will call, email or text the host of the delay.

Awareness of other cultures: In spite of their being a highly educated population, Americans are remarkably ignorant of other cultures. You may find that they have very strange ideas about your country. Sometimes, their actions or statements may be well intended, although they may still be misinformed or hurtful. If you take offense, please politely tell the person that you are offended and inform them about your culture or traditions.

Privacy and private property: As members of a highly individualistic society, Americans may seem to be very possessive of not only their material things (home,
clothing, cars, money), but of their knowledge (unwillingness to share class notes, test information, etc.). In spite of their directness in many matters, certain areas of discussion are considered very private and should be approached gently. For example, personal financial affairs, age, religious beliefs, sexual behavior, and political views may be considered private and personal information.

Popular American Food

**Bagel:** Type of bread that is a round ring shape. Usually served with cream cheese, or butter. It can also be served with other breakfast food (eggs, ham, bacon, sausage, etc.) and with sandwich meat.

**Pizza:** Thin crusty bread usually topped with tomato sauce and cheese and additional toppings of your choice such as pepperoni, sausage, vegetables, etc.

**Tacos or Burritos:** Originate from Mexico. A hard or soft tortilla shell stuffed with ground beef or chicken with cheese, lettuce, diced tomato, sour cream and salsa.

**BBQ:** Chicken, steak and ribs are common barbeque meats and poultry. They can be marinated in seasoning and/or topped with a barbeque sauce.

**Hamburger/Hotdog:** Typical American summer cookout foods.

**Submarine (Sub)/Hero Sandwich:** A sandwich that’s made with an oblong-shaped bread and stuffed with meat, vegetables and dressing. Can be served warm or cold and with potato chips.

**Nachos:** Originate from Mexico, often served as an appetizer. The dish is made with corn tortilla chips and is topped with melted cheese (your choice), refried beans, jalapeno peppers, black olives, salsa and sour cream. It can also be topped with seasoned ground beef.

**Buffalo Wings:** Originate from Buffalo, New York. Buffalo wings are chicken wings that are deep fried and tossed in spicy hot sauce of varying degrees depending on one’s taste. The wings are often served with celery and carrot sticks with bleu cheese dip.
**Dietary Restrictions:** Gluten-free, lactose-intolerant, Halal, Kosher, vegetarian, vegan, etc.

Shopping in the Area

NEVER sign your name on any paper that you do not fully understand. Never buy anything until you know how much it costs, no matter how great a bargain it seems. Once a contract is signed, it becomes a binding legal document and cannot be cancelled. Some international students have had difficulty with unscrupulous business people and companies. Always be sure to keep the receipt, or sales slip, for anything you buy. In some stores, all packages are checked at the door as a protection against stealing; your receipt is proof that you have bought the things in your possession. If you find that what you have bought is the wrong size or color, you can usually return it, or ask for a refund or credit. To do this you must show the receipt or sales slip.

In the U.S. sales taxes are not included in the price; therefore, be prepared for the added cost. Everything you buy in a store in New York State is taxed, except necessary food items. In most of New York State, the tax is 8-9%. This means that percentage of the total cost of an item is added to the final cost as a tax. In other words, for every dollar an item costs, you pay an additional 8-9 cents.

Discount (Bargain) Stores
Some of the moderately priced local stores for food, clothes and household items include:

Information on Clinton and the Surrounding Area

Founded in 1787 by pioneers from Connecticut, the picturesque village was widely known during the 19th century for its many private secondary schools, a distinction that earned it the sobriquet School town. For nearly 100 years, these academies and seminaries met the educational needs of hundreds of students throughout the Northeast, including U.S. president Grover Cleveland, Red Cross founder Clara Barton and transcontinental railroad visionary and university founder Leland Stanford. Other famous people in American history attended Hamilton College, which sits atop a hill overlooking the village. Founded in 1793 as the Hamilton-Oneida Academy by the Reverend Samuel Kirkland, a missionary to the Oneida Indians, it was chartered as a college in 1812 by the New York State Board of Regents. Today it stands as one of America’s oldest and finest liberal arts colleges. Among its many prestigious alumni are abolitionist Gerrit Smith, U.S. Vice President James Sherman, painter Daniel Huntington, poet Ezra Pound, and distinguished statesman Elihu Root.

A Clinton native, Mr. Root won the Nobel Peace Prize in 1912, and for many years his family tended to the gardens in the glen behind the Root homestead on the Hamilton campus. Today, the Root Glen is open to the public and has become a favorite spot for quiet walks among the shaded red-shale paths to admire the many species of trees, shrubs, plants and flowers.

Clinton’s Village Green serves as the focal point for much of the activity in the community, especially during the summer months. Whether attending the Tuesday evening concerts, sampling fresh produce and delicious baked goods during the Thursday afternoon Farmers Market, learning about days past during Historic Clinton Week, watching one of the many annual parades, or just relaxing on a bench and enjoying the children play by the fountain, the Village Green is the center of community life in Clinton.

Clinton also enjoys an unexpectedly rich cultural life for a community its size. The Kirkland Art Center, housed on the Village Green in the original 1842 Methodist Church, sponsors gallery exhibitions, coffeehouses, concerts and a wide variety of arts, crafts and even fitness classes, while Hamilton College offers several performing arts series,
lectures, readings and exhibitions. Even the local coffee shop sponsors poetry readings on Wednesday evenings.

With its beautiful trees and charming small-town atmosphere, Clinton is also a wonderful place to take a leisurely stroll. Historical markers throughout the village celebrate Clinton’s past, including one plaque naming the central village area to the National Register of Historic Places; another marking the Chenango Canal, a feeder to the Erie Canal; and a third marking the site of the Clinton Pharmacy, which from its modest beginnings on West Park Row has grown to become the international pharmaceutical giant, Bristol-Myers-Squibb. Enriching the area is the home of early mineral spring activity, which resulted in the founding of Franklin Springs in 1790, a hamlet on Clinton’s south side. To the north is Clark Mills, founded in 1798, and the home to textile mills originally built by the A.B. Clark and Company around 1840 and which survived under various owners until 1943.

While visitors can easily spend several days taking advantage of all that Clinton has to offer, the village’s central location, nice restaurants, and variety of bed and breakfasts also make it an ideal location from which to explore other regional attractions. In addition to its many beautiful scenic vistas, Central New York is rich in American history. Visitors to the area can visit the Erie Canal Village, Fort Stanwix National Monument, the Oriskany Battlefield and the Baron Von Steuben Memorial. Also nearby are the Adirondack Park, The National Baseball Hall of Fame, an antique collector’s paradise, The Munson-Williams-Proctor Institute, the Stanley Performing Arts Center and Turning Stone Casino.

Culturally, recreationally and aesthetically Clinton is a wonderful place to visit and a great place to live.
