

Poster Presentation Timeline

Pre-Course Week 1 Week 2 Week 3 Week 4 Week 5 Week 6 Week 7 Week 8 Week 9 Week 10 Week 11 Week 12 Week 13 Week 14 Post-Course

Faculty member meets with HILLgroup to discuss assignment details.

Project "model" created by faculty member.

Library Instruction

Students begin research

Oral Communication Strategies

Students research & design information for posters.

Visual Communication & Design Workshop.

Authoring Labs

Students Create Posters

Proofing Open Lab

Printing Appointments

Posters Due

Evaluation & Assessment

This is an example timeline for a course with a large format poster assignment due in the last week of the semester. This timeline is based on a highly collaborative support model with many built in check points. Other support models may produce similar but less entailed timelines.
